FRANKENMAN Academy

"When you put patients' health first, remarkable things happen"

At Frankenman, we understand and value the need for outstanding, professional surgical education.

The Frankenman Academy has developed over several years, by partnering with world-class faculty, in renowned centres of clinical excellence to provide the highest level of education.

In 2019, focus will be on the following clinical areas –

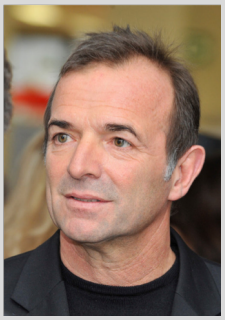

Colorectal Surgery – *Including Laparoscopic Colorectal Surgery, and TaTME/TAMIS*

Coloproctology – *The "Longo" Technique for Haemorrhoidal Disease & STARR for ODS*

Bariatric Surgery – *Including, Laparoscopic Sleeve Gastrectomy & Laparoscopic Gastric Bypass*

We look forward to welcoming surgeons from around the world at our events, and, working in partnership to extend clinical knowledge and surgical skills.
